

We begin with 3 components:  
Ski boot  
Ski binding  
Ice blade

We mount the ski binding onto the ice blade ... or you can do it yourself.

Once the binding is mounted on the blade (above), you can clip your boot onto the blade in a few seconds (below).

## Nordic Skates *Swedish clip-on ice blades for cruising on lakes, rivers, canals & indoor rinks!*

*Comfort, convenience, and speed ...* Detachable blades for cross-country recreational touring and racing on both outdoor and indoor ice. Unique curved tips give you stability and glide over bumps, cracks, even snow-covered ice. *Best of all, Nordic Skates clip on and off your ski boots in seconds.* No more sitting in the snow or on a windswept bench, lacing up frozen skates while your fingers and toes go numb. Just put on your warm and comfortable cross-country ski boots at home, and clip on your Nordic Skates when you step out on the ice. Get ready to skate farther and faster than you ever dreamed possible!

Nordic Skates fit **all models of Cross-Country & Back-Country ski boots** including **Alpina, Asolo, Atomic, Fischer, Hartjes, Karhu, Lundhags, Madshus, Merrell, Rossignol, Salomon and Sportful.**

### Bindings:

Salomon  
Pilot, Profil,  
X-Adventure;  
Rottefella NNN-2,  
NNN-R3, NNN-BC.

### Blade lengths:

*Swedish* 40, 45, 50, 55 cm  
(15", 17", 19", 21"). *Color:* Silver.

*Dutch* 40, 42, 44, 47 cm  
(15", 16", 17", 18"). *Color:* Black.

Swedish blade (*photo right*) is optimized for touring and recreational outdoor skating. Dutch blade (*photo below*) is best for racing and for maneuverability on the tight corners and smooth artificial ice of indoor rinks and speed skating ovals.

Nordic Skates are available with or without bindings. Blades are pre-drilled for all Salomon and NNN bindings. Do-it-yourself mounting kit included.

### Smooth ice ...

### Bumpy ice ...

### Snow-covered ice ...
